

A screenshot of a Windows command prompt window. The title bar at the top reads "C:\Program Files\Keysight\ADS2019_Update1\pvm3\bin\win32_64\eesofpvmhoster.exe" and includes standard minimize, maximize, and close buttons. The command prompt itself has a black background with white text. The first line of text is "ssh: connect to host aelab-aqa4pfvfk port 22: Connection refused". A white cursor is positioned on the line immediately following the error message. A vertical scrollbar is visible on the right side of the window.
